Memorial Day Motorcycle Show Rules

This is a ride-in Bike Show

- **Anyone can enter any number of bikes (at \$20 each), provided you ride each bike into the show registration area.**
- **Everyone at the show can vote for their favorite People's Choice Best of Show by filling out a ballot. One ballot per person.**
- **VFW Post 10351 is the Motorcycle show sponsor and runs the registration, ballots, and prize distribution.**
- **Entry registration is from 8 am until 12 noon. (we may also open earlier if resources permit)**
- **Showing and balloting is from 12 noon until 1:30 pm.**
- **Trophies are awarded at 3:00 pm.**
- **Photo session is either immediately after or during trophy presentation.**
- **Show participant ride-outs start after trophy presentation.**
- **No fire-ups during trophy presentation. Roll it out if you need to leave early.**
- **During registration, each rider will pay the \$20 entry fee.**
- **Registered riders receive an entry number.**
- **Registration information includes name, phone number, email address, year of bike, model of bike, and class. We need this info to contact the award winners.**
- **To qualify for competition in the show, each entry must be ridden into the registration area and show area. Even if you only ride it a few blocks, we want to see working bikes.**
- **Any Trailer Queen that slips past the judges is not eligible for a first-place trophy. This is a RIDE IN SHOW**

Safety

- **No fuel leaks are allowed.**
- **Fuel must be shut off while parked in show area.**
- **No fire ups during show. Roll it out of the show area first.**

Awards, Ballots and Judging

- **Best of Show is determined by ballot count.**
- **All other categories are judged.**
- **VFW Post 10351 selects the panel of impartial judges based on knowledge of workmanship, knowledge of paint and finish techniques, styles and periods of history, and integrity.**
- **To assist in proper judging, assistants will be on hand during registration to ensure that each bike is entered in the appropriate category.**

Show Categories

- **Cruisers: Designed for comfort and style with low seat heights and large displacement engines, emphasizing relaxed riding**
- **Sport Bikes: Built for high speed and performance, characterized by lightweight, aerodynamic fairings and an aggressive, tucked-in riding position.**
- **Touring Bikes: Engineered for long-distance comfort, featuring large fairings, wind protection, luggage, and comfortable seating for two.**
- **Adventure (ADV) / Dual-Sport: Versatile bikes designed for both on-road commuting and off-road capability, featuring tall suspension and upright seating.**
- **Standard / Naked Bikes: Known for versatility, these bikes lack extensive plastic bodywork (fairings), offering a comfortable, upright position for various riding styles**
